

Weslo has recently purchased 5 two bed apartments from McKernan Homes at Thornbridge Court in Falkirk. This has been made possible with funding from Weslo and grant assistance from the Scottish Government. The properties have been let to applicants from Falkirk Council waiting list and are managed by our staff in Bo'ness.

Below we see Mike Crozier, Weslo's Operations Director with Carol Byrne and her partner Andrew Nimmo who were the first tenants to be signed up.
