

New Development Coming Soon To Livingston

A £2.8m development at Ladywell will see the construction of 24 new affordable homes for rent.

We will be approaching West Lothian Council for nominations for the 12 x 1 bed and 12 x 2 bed flats which we expect to be available in September 2009.

The project has been developed as a West Lothian Strategic Alliance (WLSA) project. The Alliance is a partnership between Weslo, Almond and Horizon Housing Associations and West Lothian Housing Partnership.
