

ITEM	ACTION
prize in the region of £50.	
<p>b Kinneil Youth Band The above band had placed an item in the Bo'ness Journal informing people of a new Youth Band being created and asking for new members and sponsors. This is the type of organisation Weslo are keen to help. Dave will contact David Frame and discuss possible ways that we could provide assistance – possibly donating an instrument etc</p>	DM
<p>c Marie Curie Hospice We have received a request from Gordon Smith who is due to complete a sponsored cycle across the Canadian Rockies to raise money for the Marie Curie Hospice in Edinburgh. The committee agreed to donate £100 through his Just Giving site on behalf of Weslo Housing Management as we all know people who have been affected by Cancer and West Lothian cancer patients are treated in the Marie Curie Hospice in Edinburgh.</p>	MB
<p>d The Risk Factory This is the second time we have received a mail shot style request from the above organisation. The committee have again decided not to donate any money as we feel it is an educational facility and therefore not within the criteria of our budget.</p>	
<p>e West Lothian Fibromyalgia Support Group A request has been received asking if Weslo would provide some financial assistance to the above organisation. Donna will contact Sheila Keppie to obtain more information about the group and where they receive funding from prior to a decision being made. Donna will e-mail the committee when further information is available.</p>	DJ

<p>a Donna advised the committee that Easyfundraising.com also offer a search facility which, when used can also raise money for the chosen charity. When searches are done in this way rather than through Google etc money is raised for each search. She wondered if staff can be made aware of this so that they can also assist in raising money for our chosen charity. Mike advise Donna to speak to Kevin regarding the feasibility of this.</p>	
<p>b Taking account of the number of I-Pods we have purchased recently to be donated as Raffle Prizes, Mike suggested that we consider buying these items in bulk to try to secure a better deal on the items. These economies of scale would result in more money being available to support other requests. It was agreed that this is something we should consider for the pre-Christmas period next year when we are likely to receive numerous requests again for Raffle prizes from various organisations.</p>	JF
