

The properties are a mix of three apartment ground and first floor flats. Each property comes with integrated fridge freezer as well as an integrated gas hob and fan assisted oven. Each property has front door access and gas central heating.

Rents are set at £520 per calendar month and are Council Tax Band B.

All Weslo Initiatives properties are complemented by the full repair service offered by our own dedicated tradesmen, and as such you can be confident that any faults that you may incur while a tenant with us will be swiftly dealt with, and completed to a professionally high standard.
