

Scottish Secure Tenancy

In February 2007 Weslo became a Registered Social Landlord (RSL). From this date all Weslo tenancies converted to Scottish Secure Tenancies (SST's). We are in the process of having new tenancy agreements signed.

In Bo'ness, all tenants have signed their new tenancy agreements.

In West Lothian, 86 tenants have still to sign their new tenancy agreements; this accounts for 4% of current tenancies.

If you haven't signed your new tenancy agreement please get in touch with us on 01506 634060. We can make arrangements for you to come into the office or if that is not convenient a member of staff can arrange to call at your home.
