

Tenants give Weslo a vote of confidence

More tenants than ever before are happier with Weslo Housing Management as their landlord and happier with their homes, according to the most recent tenant satisfaction survey. The survey was carried out in May 2010 by independent consultants Knowledge Partnership and the report is now available for you to see for yourself.

Weslo Chief Executive Mike Bruce welcomed the figures. He said "These high levels of satisfaction with our service are a great testament to the hard work and dedication put in by our staff. To maintain the high levels we achieved in 2005 would have been a tall order but to have improved in many key areas is just fantastic for all concerned. I'm absolutely delighted at the tenants' verdict on us and would like to record my thanks to all the tenants who took the time and trouble to complete the form: it's very much appreciated."
